Why Poolsafe?

Your Trusted Installation Partner for Auto-Covers and Safety Fences

When you partner with Poolsafe, LLC, you're working with a dedicated California-based installation team. Our local experts understand your market and your needs. Plus, we're backed by the resources and expertise of a larger nationwide network.

- Hundreds of years of combined experience
- Specifically trained on all auto-cover systems
- 98% first-call job completion rate

"Poolsafe is the most professional team I've worked with. Plus, the product they use has always been top quality."

You Can Count On Our Team

Our proactive Builder Support team is ready to assist you in all aspects of your projects. Your dedicated representative stays closely connected to your jobs, keeping you informed every step of the way. We value your pool builds and are committed to providing you with excellent support.

Builder Support

Our Locations

With multiple locations across California, Poolsafe is always nearby to support pool builders like you. Our statewide network of expert installers means you get reliable, on-the-ground service 7 days a week - keeping your projects moving and your customers happy.

● Poolsafe, LLC

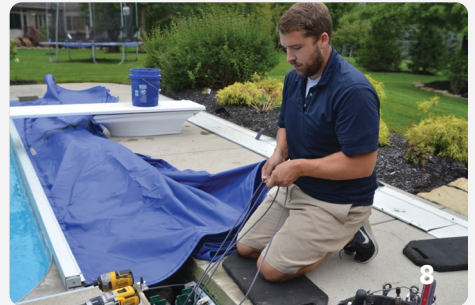

Your Schedule, On Time, Every Time

Because we maintain system inventory in every Poolsafe market, we're ready to complete installations when you need us. This allows you to get your jobs done faster, so you can get paid!

"I've worked with Poolsafe for many years now and they have always been professional and courteous. This company really takes pride in the work that they do."

[More Info](#)

Automatic Pool Cover Installation

Poolsafe specializes in installing automatic pool covers on gunite pools, vinyl pools, fiberglass pools, and spas during new construction. We also offer deck-mounted systems to be installed on top of your existing pools. Each system is custom-ordered and installed to suit your preferences and build style.

Gunite Pools

Vinyl Pools

Inground Spas

Existing Pools

Fiberglass Pools

Mesh Safety Fence Installation

In addition to covers, Poolsafe installs removable mesh safety fences in all markets. Our fences can be installed around pools of any shape or size for an extra layer of protection, or in applications where a cover is not a viable option.

More Info

Service and Replacement

For builders seeking a trusted service partner, Poolsafe offers maintenance, repairs, and replacements for any automatic pool cover system. If your customers ever need us, we're here to step in and keep their cover operating smoothly.

"The Poolsafe team does a great job on the design, the attention to detail, and the cleanliness. Every job with them has been really good."

A Reputation Built on Results

With an average 4.7-star rating from over 500 Google reviewers in California, we're proud of the trust our customers place in us. We stand by our work and focus on delivering safety and satisfaction every step of the way. You can expect clear communication and punctuality in every experience you have with us.

"Poolsafe is of one of the most professional and knowledgeable companies that I have worked with in the pool industry"
